

# Pine Grove Middle School

## School Continuous Improvement Plan 23/24

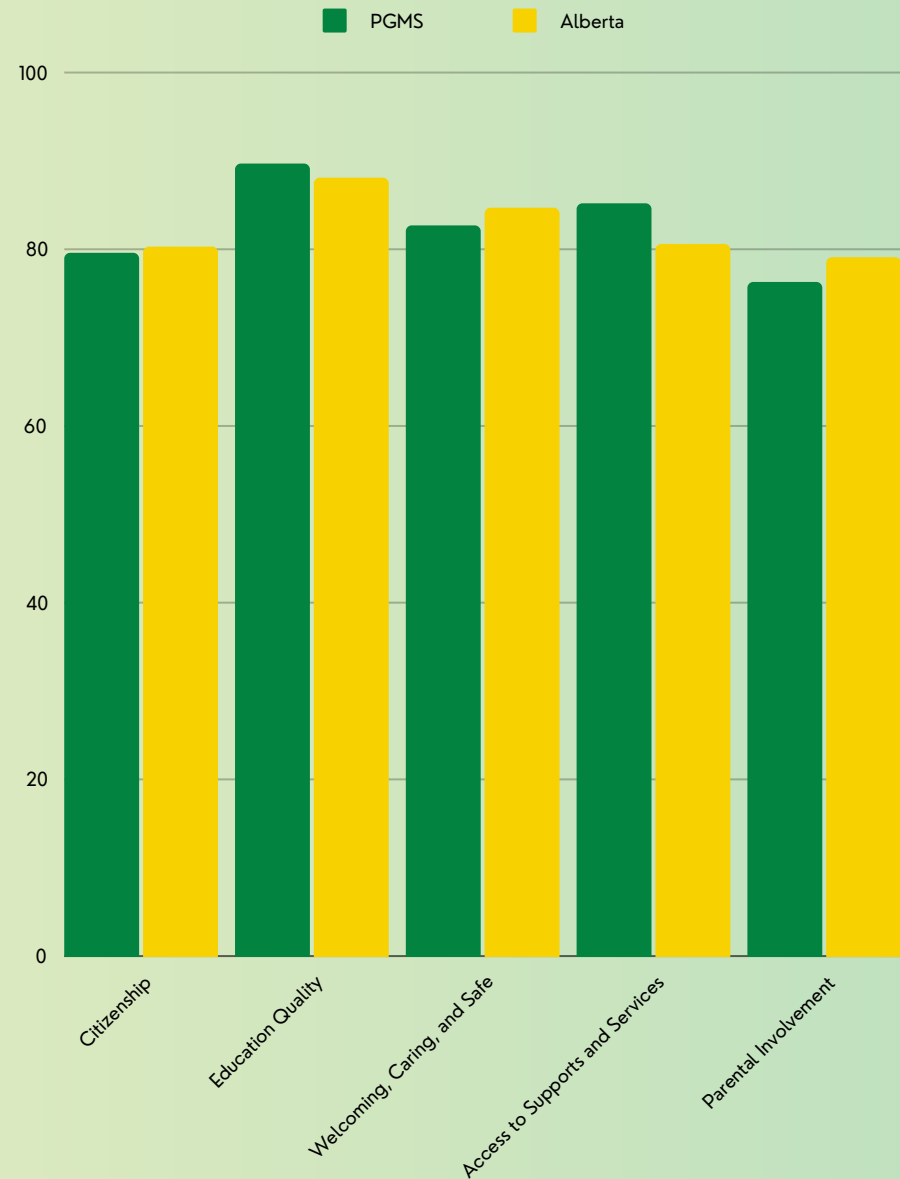

### Spring 2023 Results

83%

Grade 6 PAT from Language Arts written components last year English and French demonstrate the number of students achieving the acceptable standard is comparable to the provincial average in both English and French.

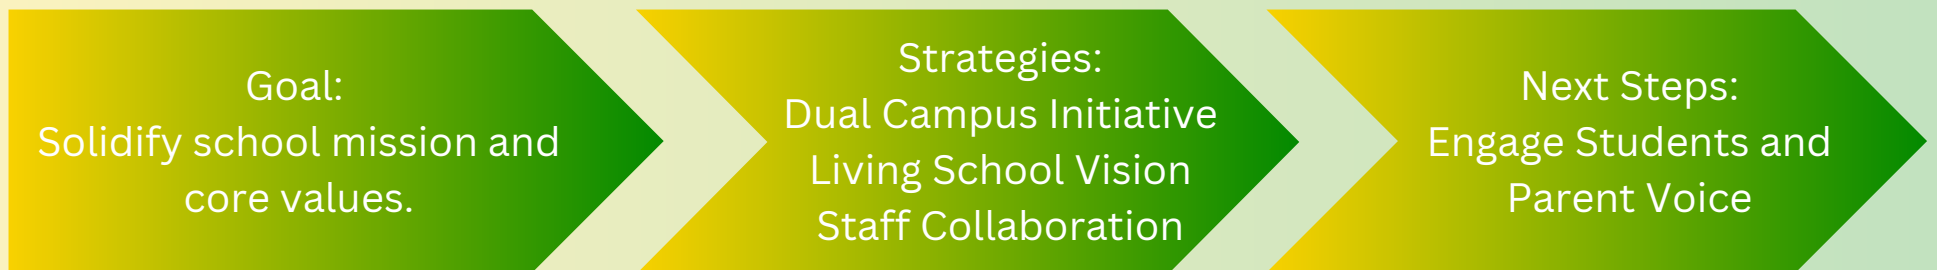

Data from the 2022/23 AEA survey show satisfaction with our school across a variety of measures is in line with provincial averages.

# School Vision:

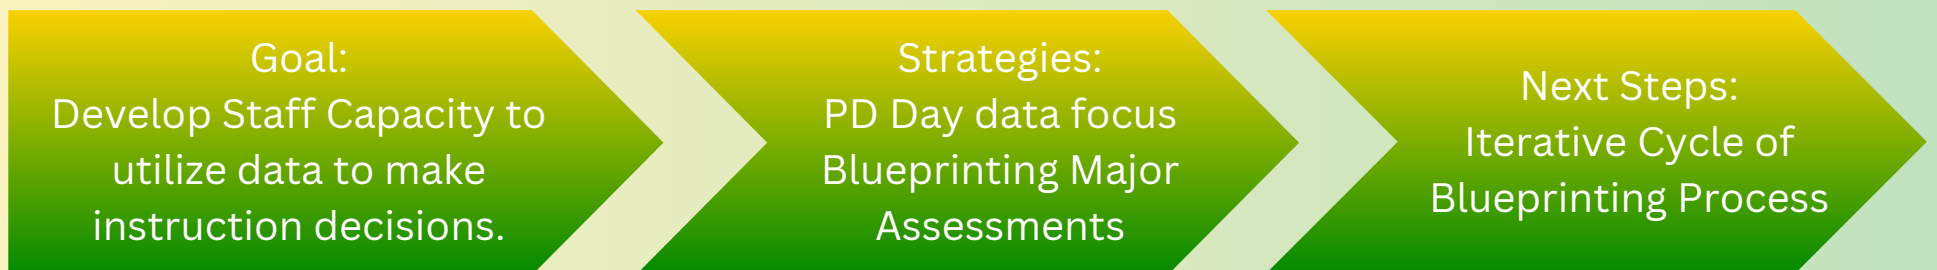

Every member of our learning community will have the knowledge and skills to define and pursue success.

## Goal 1 90-Days: Align Vision to Mission and Core Values

Our AEA Data, coupled with the Dual Campus Initiative suggest a strong focus on culture development within the school and our partner school is an important area of development for driving growth in the school.

## Goal 2 Next 90 Days: Refine skills in data driven instructional Practices.

In recent years, data from typical sources (PATs) has been impacted by the pandemic, and most recently, wildfire evacuations in the 22/23 school year. This necessitates an emphasis on effective use of readily available school generated data to drive instructional practice.
